

Modern Foreign Languages (Spanish)

At Hurst Knoll St James' we use Language Angels programme to support us in teaching Modern Foreign Languages (Spanish)

Language Angels is an online teaching resource that allows our teachers, irrespective of their linguistic ability, to teach Spanish from Year 1 to 6.

We are currently working on the easiest **Early Language Units** (which are ideal for children with little or no previous foreign language knowledge) with the aim over the next three years to move to the **Intermediate Units** (ideal for pupils building up their foreign language expertise) through to the **Creative Curriculum Units** (which tie in to familiar curriculum topics) and finally to the **Progressive Units** (which are great for extending and challenging pupils with a sound understanding of the basics of the language they are learning).
