Dear Parents, Carers and Children,

Parents Consultation Evening

Thank you to the many parents/carers who attended Parents Evening this week. Your child's targets that were discussed with you form the basis of the next steps in their learning journey. Any work you can do with your child at home to help them achieve their targets will have great benefit on their learning in school. If you were not able to make either evenings this week then please contact school to make an appointment to see your child's class teacher at an appropriate time to you. Class teachers will be making contact with those parents who do not arrange a time.

Nursery Applications

We still have places available in our Nursery from September so if you have a child at Nursery age or you know of anyone who is looking for a place for their child then please let them know - mornings only. Please contact our school office for more information.

URGENT SAFETY MATTER - Speaking to your class teacher

We have had a number of parents recently entering the school building via the playground before school wishing to speak to the class teacher. Can I please remind you for safety reasons you are ONLY allowed in the building through the main entrance. Please pass any urgent messages to either Mrs Browe on the entrance to the playground or to the Teacher/TA on the gate at the classroom entrance off the playground. You will see the sign that stipulates NO ENTRY to parents, carers and visitors. Please adhere to this rule for the safety of everybody.
