

Trust *Hope*
Forgiveness *Justice*

Dear Parents, Carers and Children,

Easter Service

Thank you to our Year 3 children for their excellent, informative Easter service at St James' Church today. It is very important we remember the true story of Easter and the sacrifice Jesus made for us all.

End of Term Celebration Assembly

Unfortunately we were unable to have this assembly today due to unforeseen circumstances but we will be celebrating our ALWAYS, MOST IMPROVED, PERSEVERANCE children and our 100% attenders after the Easter holidays on our first celebration assembly of the new summer term on Friday 21st April.

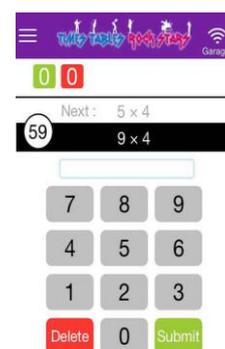

Times Tables Rock Stars Download the App

Your child will be coming home with login details for Timetables Rockstars. This is a new resource which we have purchased in school to support and engage children with learning their times tables. Children will create their own rockstar avatar and be able to practise their timetables. Children can compete against other children in the school and other schools nationally.

Your child can access the resource through a laptop or you can download the app for a phone or tablet device.

And Finally ...

As ever it is both an honour and a privilege to lead such a fantastic Church of England Primary School with so many quite remarkable children and staff. The autumn term saw us graded as an outstanding church school and in the spring term graded good by Ofsted. As we move into the final term of the school year can I thank you for your ongoing support. I hope that you and your family have an enjoyable and restful break and a Happy and Holy Easter.

I look forward to seeing your children refreshed and ready to continue their learning journey when we are back for the summer term on Tuesday 18th April.

Paul Anderson
Headteacher
