Headteacher: Mr Paul Anderson

24th June 2014

Dear Parents and Carers,

We are very keen to hear about skills or jobs you or another family member has, that could benefit our children at Hurst Knoll St James'.

We know there is a wealth of experience in our school community that we would love you to share with us, whether it is through your job or a hobby.

Do you work in the public sector or private sector? Could you talk to the children about what your job involves, what training/qualifications you had to learn, the skills of the job. Maybe you are a nurse or fire fighter or you work for the council?

Have you got a trade which you could show the children and explain how you learnt to do that job and maybe let them have a go at it? Are you a bricklayer, joiner, mechanic, electrician or plumber for example?

Do you have a hobby or interest that you would be willing to share with the children? Are you interested in local history, do you run a scout group or do you take part in a sport that you could share with the children? Are you a keen gardener or cook?

These are just a few examples, we would welcome ANYTHING that you may think would be of interest, whether it be in the world of work or leisure time.

Please write below anything you can offer and send it in to school. We will then contact you if we find your job/skill fits in with the children's learning or a particular school focus.

Many thanks for your support and co-operation.

Kind regards,

A handwritten signature in black ink that reads "P. Anderson".
