# HKSJ News

Thank you to all classes for sharing their art and music from this week in the showcase on Friday. It was great to see the effort that had been put into the art work around 'plastic pollution' and highlighting this issue which is affecting rivers, seas and oceans across the world.

You can see more of our art work at St James church this weekend. They are holding their annual arts festival on Saturday 10am-3pm.

# SCHOOL UNIFORMS

Can I please remind you of the school uniform policy as we are seeing children wearing items of clothing with are not complying with the policy in place. Can I remind you that any headbands or hair clips should be plain and not ostentatious and all children should be wearing black shoes for school—not black or coloured trainers.

A reminder that we are closed for an INSET day on Friday 28th June. We will finish the week on Thursday 27th June.

What's going on this week?

The 2019 FIFA Women's World Cup is now well underway in France with the final less than 2 weeks away! The competition is being held across nine cities, with the semi-final and final being played in Lyon. Women's football is fast growing in popularity, with the global viewing audience for the Women's World Cup expected to reach up to one billion! But the players themselves are increasingly questioning the level of earnings and prize money they receive compared to male footballers, which are around x10 less!

Things to talk about at home...

- Have you been watching the Women's World Cup? Do you think it is shown enough on TV?
- Did you collect the men's World Cup stickers? Are you collecting the women's stickers too?
- Do you think it's fair that male footballers are paid more than female at the moment?
