Year 1	Wednesday 11th October	10.45—11.30	Phonics & Reading

"ONE EXCITING WEEK"

It has been a very busy week with lots learning, spiritually, socially and academically. Year 5 and 6 had the **Bettybus** visit on Tuesday to discuss puberty. Some of our Year 6 pupils visited **Manchester Cathedral** on Monday to learn about God and the Big Bang. We celebrated **International Languages Day** by sharing languages across our classes and showing how diverse our school is. Something definitely worth celebrating. Thursday was **Poetry Day** and a chance to start some exciting learning around a poetry competition which you can support your child with through their homework. Another great week next week starting with our **Harvest Festival on Monday 2nd October**.

It's Harvest Festival at St James Church on Monday at 9.45am. All of you are welcome and we hope you enjoy the service led by Year 5. Please ensure tins or non-perishable foods are brought in on Monday morning if you've not donated anything yet.

Hear It, Perform It, Write It

This week your child has been listening to poetry, they have had the opportunity to perform poetry and have been exploring different techniques for effective poetic writing. They have started to plan a poem in class with input from their teacher.

COMPETITION TIME! Support your child with their poetry homework this week for a chance for their work to be published in a book for a national competition! Return by Thursday 5th October.

Have a great weekend and don't forget the harvest donations please.
