

Sports Premium Allocation 2018/19

What is the Sports Premium?

The government is providing additional funding of over £450 million on improving physical education (PE) and sport in primary schools.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Hurst Knoll St James' received £17778 for 2018-19 (sent in two instalments throughout the academic year) and have brought forward £11807.89 from 2017-18.

Schools must spend the additional funding on improving their provision of PE and sport but they will have the freedom to choose how they do this.

Accountability

From September 2013, schools have been held to account over how they decide to spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' Handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provisions between schools, both within and beyond the school day.

How are we using the funding to benefit our pupils this academic year?

We have allocated the funding in a number of ways at Hurst Knoll St James':
