

Charging Policy

Introduction

All education during school hours is free with the exception of individual or group music tuition (see below). We do not charge for any activity undertaken during school hours as part of the National Curriculum.

School Trips/Visits And Activities During School Time - Voluntary Contributions

When organising school activities, trips or visits which enrich the curriculum and educational experience of the children the school, in the majority of cases, does not charge or ask for a voluntary contribution. The budget given to each class is based on the number of pupil premium children and supplemented by the school budget.

The following is a list of additional activities organised by the school through its 'Experience Charter', which may require voluntary contributions from parents. This list is not exhaustive:

- visits to museums
- sporting activities - sometimes involving transport expenses
- outdoor adventure activities
- visits to the theatre
- musical events

Parents/Carers will be given reasonable advanced notice of proposed visits/ activities and school will provide details of how each individual voluntary contribution amount (if any) has been determined. Staged payments may be arranged where contributions are significant. Parents/Carers have a right to know how each individual trip is funded. The school provides this information on request.

Residential Visits - Charges

If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education. However, we may invite voluntary contributions to meet other costs associated with the visit.

Parents/Carers will be given advanced notice of proposed residential visit opportunities together with an early indication of voluntary contribution requests and staged payments may be arranged where contributions are significant.

Music Tuition

All children study music as part of the normal school curriculum and some year groups are supported by the 'Music Service'. We do not charge for this.

Visiting music teachers offer individual or small group music tuition at the school which is additional to the National Curriculum. We give parents information about availability of this facility at the start of each academic year and a charge is made for these lessons.

Swimming

The school organises swimming lessons for children in KS2. These take place in school time and are part of the National Curriculum. We make no charge for this activity or for associated transport costs. We inform parents when these lessons are to take place, and we ask parents for their written permission for their child to take part in swimming lessons.

Extra Curricular School Clubs And Activities

The school offers a range of out-of-school clubs – and reserves the right to charge for such sessions to cover the cost of provision from an outside agency. Clubs provided by school staff will not incur a charge.

Transport To Extra-Curricular Activities

Parents/Carers may be charged to cover the transport expenses associated with the extra-curricular activity. Charges for transport will be strictly based on covering actual costs (as defined in legislation) with no profit element.

Loss Of/ Damage To School Property

Parents/Carers may be asked to meet the costs of repair/replacement of school property lost or damaged as a result of a pupil's misbehaviour.

Revised and adopted by the Governing Body Spring 2015
